\*\* Courses taken in the 4<sup>th</sup> year Fall semester are time intensive. Though there is room for an elective, taking fewer credits helps to guarantee that students can do their best work in both studio and art ed. More than 15 credits taken in this semester is NOT recommended.

		Required Total credits:	128

All Education majors need to be fingerprinted and take 4 certification exams, required by NYSED: ALST, EAS, CST and edTPA. Info on the exams and when to take them will be reviewed in your art ed classes.

\*Art History choices are explained in the catalog; AHI 344 History of Art Since 1945 is the recommended 300-level choice for art ed majors. Students can add a fifth Art History and gain a Minor in Art History, if they are willing to take some lib eds over the summer.
